Dear Supporter,

Thanks to our supporters, the 2008 NY Open Judo Championship was a huge success. Judo officials from around the world are now recognizing the NY Open as a major judo event.

The 2009 NY Open Judo Championship is the Silver Anniversary of the event and will be held on March 8th. We expect teams from Japan, Brazil, United Kingdom, Uzbekistan, Germany, France, Romania, Poland, Haiti, Morocco, Russia, the USA Olympic Training Center, India, Cameroon, and Senegal. Your advertising is one of the main sources of revenue needed to run the tournament. As usual, the NY Open, held in the most diverse city in the world, will demonstrate the true international flavor and sportsmanship of Judo.

Please support the NY Open by placing a full-page ad in this year's program.

To order your ad please complete the bottom portion of this letter and return it to me.

Very truly yours,

Lynn E. Goldberg
Program Editor
